NOTES TO FINANCIAL STATEMENTS
for the year ended March 31, 1990

1. STATUS OF THE BRANCH

The Liquor Distribution Branch obtains its authority for operation from the Liquor Distribution Act which was administered by the Ministry of Labour and Consumer Services. Buildings	- 7 ½% per annum
Leasehold Improvements	- a minimum of 10% per annum or a rate sufficient to write off the cost over the remaining life of the respective lease.

	1990 $	1989 $
Total Branch sales	1,280,660,461	1,234,107,064
Less non-alcoholic products	539,991	582,817

	3,068,680	3,420,470
TOTAL SALES OF LIQUOR IN THE PROVINCE	1,283,189,150	1,236,944,717

The Branch has authorized the brewers' agent to sell directly to licensees, licensee retail stores and agency stores and these amounts are included as Branch sales.

The Branch has also authorized brew pubs to manufacture and sell directly to the public. The margin on these sales is classified as other income.

The Branch has agreements with estate wineries which allow them to sell directly to the public, licensed establishments and licensee retail stores. Proceeds from the estate winery on-site sales accrue solely to the estate operator.

Total sales of liquor in the Province do not include subsequent resale by licensed establishments, licensee retail stores and agency stores.

5. COMMITMENTS

a) Federal Taxes

The Branch maintains inventory in its bonded warehouse for which federal taxes have neither been paid nor recorded in these financial statements. As at March 31, 1990, the future liability for these taxes approximates $5,300,000. These taxes are payable when inventory is shipped from the bonded warehouse.

NOTES TO FINANCIAL STATEMENTS (cont'd)
for the year ended March 31, 1990

b) Lease Premises

Total commitments as at March 31, 1990, for lease of premises are as follows:

		$
Year ended March 31,	1991	9,523,000
	1992	8,461,000
	1993	7,470,000

	1995	5,584,000
Subsequent years		15,294,000
TOTAL		52,915,000

6. CONTINGENCIES

Agents' Stocking Program

The Branch has authorized suppliers' agents to import and warehouse liquor for subsequent resale to the Branch. Under this arrangement, the Branch has a contractual obligation to purchase all inventories held by the agent should he/she opt out of the program. As at March 31,1990, the value of agents' inventories totals approximately $22,600,000 and the future liability for federal taxes thereon is $11,800,000.

Employee Sick Bank

Prior to January, 1978, eligible employees accrued 1.25 days per month towards an employee sick bank. The accumulated unused banked hours are paid at 50% only on retirement. The sick bank liability as at March 31, 1990, is approximately $2,000,000.

7. SUPERANNUATION FUND

The Liquor Distribution Branch is an approved employer under the Pension (Public Service) Act. Eligible employees of the Branch contribute to the Public Service Superannuation Fund at a rate of 4.25% of pensionable salary up to the year's maximum pensionable earnings as defined in the Canada Pension Plan and at a rate of 5.75% of pensionable salary in excess of the year's maximum pensionable earnings. An additional 1.25% of pensionable salary is deducted and used to finance the payment of inflation adjustment supplements. In addition to matching the employees' contributions, the Branch contributes an additional 2.5% of pensionable salary for basic pension benefits.

An actuarial evaluation of the Public Service Superannuation Fund was made at March 31, 1987. Details of the unfunded liability are described in the Public Service Superannuation Fund financial statements included in the Public Accounts. The portion of the unfunded liability attributable to the Liquor Distribution Branch was not determined by the actuary.

8. SUBSEQUENT EVENTS

On May 9, 1990, Canadian Airlines International Ltd. commenced a Supreme Court action for the return of all Provincial mark-up amounts paid. This action alleges that all monies paid to the Branch up to this date were "paid under a unilateral mistake of law." The liability of the Branch (if any) under this claim is not determinable with any degree of accuracy at this time.
